## Ministry Model

### Meaningful Relationships

Relationships  
Cultivate TRUST

Growth takes place in the context of trust-based relationships

### Intentional Programming

Mission Drives Programming

Intentional Programming Communicates to volunteers their purpose and role

### Transformational Discipleship

Discipleship Prompts Change

True Discipleship leads to transformation of lives

### Generational Mentorships

Partnering Promotes Consistency

Partnering with Parents and other adults puts everyone on the same team and creates purpose & unity

### Re-generating Disciples

Process creates Progress

Everyone working together toward a common goal, uh,..... commandment. That's good!

- **Discipleship is not a program, or a ministry, but a lifelong commitment to a lifestyle**
